

ALDER COMMONS

A HUB FOR SELF-DIRECTED WORK & PLAY

Hi everyone!

Thanks to everyone that joined us for programs last week - we had a ton of fun connecting with folks online!

This week (starting today), we're going to be hosting repeats of several of last week's programs, as well as some new ones. **We've switched most programs to require an RSVP, so please RSVP if you're planning to attend!**

April 20th-24th Schedule

Our good friends over at **Wayfinding Academy** still have some openings for folks that may be looking to start college in the fall. In light of the changes we're experiencing as a society, Wayfinding's personalized curriculum, tight-knit community, and small class sizes are especially attractive! If you know any high school seniors (or young adults) that might be interested, please [tell them about Wayfinding Academy](#).

Thank you!
