Volunteer with Northeast Community Center

Northeast Community Center is hosting a small volunteer opportunity to benefit Dress for Success. DfS empowers women to

achieve economic independence by providing a network of support, professional attire, and development tools. To help them out, the NECC is gathering a small crew of volunteers on **Friday, September 25, from 1:00-3:00pm**, to help assemble bags of items for distribution the following day to their clients. We will be masked and working under the tent in our parking lot on NE 38th.

If you or anyone you know are interested, you can send an email to outreach@necommunitycenter.org.

Donate Supplies to Migrant Families
